Subject: Recommendation for Approval to Award Contract Nos. 487B-1A & 487B-1B: Security Guard Services

As discussed by the Budget and Finance Committee at their February 13, 2007 and March 13, 2007 meetings, the following recommendation is before the Board excluding Sector 1C. On March 13, 2007, while discussing Item 7A (attached), Manager's Report on Security Guard and Screening Contract Awards under RFPs 487A and 487B, the committee directed that the award of 487B-1C be withheld pending an on-going audit being performed by the Audit and Management Services Department. Coverage for this sector will be provided via an existing emergency contract with Alanis Security, Inc. The balance of that report, Item 7A, was accepted by the committee.

PROJECT MANAGER:

CONTRACT MEASURES:

The Review Committee of December 28, 2006 did not recommend a Small Business Enterprise (SBE)

measure as the services will be paid using some federal funds.

In a meeting (on November 22, 2005) between the County Attorney's Office, Department of Business Development, General Services Administration, and Department of Procurement Management; it was decided to divide the security guard and screening services into two RFPs: RFP 487A and RFP 487B. The option to make MDHA a separate sector was discussed in the meeting. As MDHA facilities are spread all over the geographical boundaries of the County, it would not have been cost effective for the awarded vendor to effectively manage the contract.

RFP 487A was advertised with Small Business Enterprise (SBE) measures. RFP 487B did not have SBE measures as the services will be paid using some federal funds (for MDHA facilities only).

MDHA federal funding for these contracts is covered under Section 3 of the US Department of Housing and Development Act of 1968 for the Miami-Dade Housing Agency (MDHA). Section 3 requires that job training, employment and contracting opportunities be directed toward low and very-low income persons, and to businesses that provide economic opportunities to those persons.

LIVING WAGE:

The services being provided are covered under the Living Wage Ordinance.

USER ACCESS PROGRAM:

The contract does not contain the 2% User Access Program provision due to the utilization of the Federal funds.

LOCAL PREFERENCE:

The local preference ordinance does not apply due to the utilization of the Federal funds.

**ESTIMATED CONTRACT
COMMENCEMENT DATE:**

April 1, 2007 if adopted by the Board of County Commissioners, unless vetoed by the Mayor.

BACKGROUND

Following the federal court decision in the Hershell Gill case, security guard and screening services have been provided under emergency contract No. EM7797-2/07. GSA manages the current contracts organized in two tiers (sites with security guard services only, and sites with security guard and screening services) and eight geographic sectors. The current contracts expire on September 30, 2007.

In an effort to improve the County's security services and enhance performance requirements for safeguarding County buildings, the County utilized a Request For Proposals (RFP) process in order to evaluate firms using a combination of qualitative factors. These factors include: prior experience of the firm and its key personnel, financial capability, and quality of service delivery plan and approach. Consideration of the qualitative factors, combined with negotiations, has resulted in a recommendation that reflects savings and quality factors for the County. In addition to a \$2.5 million negotiated price reduction from the pricing submitted by the recommended vendors, the following reflects the results of the negotiations:

- a) Scheduling Software: Contractors will use manpower scheduling software to track the scheduling of guards and to ensure that all posts are staffed by guards qualified to work the designated post. The Contractor will provide user access to this software for GSA Security Management at no additional cost to the County. The system will allow the County to routinely view reports and audit information generated by this software.
- b) Guard Checks: Contractors will implement and use available systems, at no additional cost to the County, to ensure that guards are providing coverage and performing duties during all required hours at the assigned posts. This may include the use of guard tour systems, radio calls, and/or Global Positioning Systems.
- c) Tabletop Exercises and Drills: Contractors will conduct, at no additional cost to the County, tabletop exercises and drills to simulate contingency events based on the County's security plan. These drills and exercises will be used to identify weaknesses and refine the current procedures.
- d) Customer Satisfaction Program: Contractors will implement a customer satisfaction program to include a minimum of two customer satisfaction surveys per year to be conducted by the awarded vendors. The County's Project Manager will determine the format for the surveys. Any negative feedback received shall be followed by a corrective action plan to be approved and monitored by the Project Manager.

As discussed by the Budget and Finance Committee at their February 13, 2007 and March 13, 2007 meetings, the following recommendation is before the Board excluding Sector 1C. On March 13, 2007, while discussing Item 7A, Manager's Report on Security Guard and Screening Contract Awards under RFPs 487A and 487B, the committee directed that the award of 487B-1C be withheld pending an ongoing audit being performed by the Audit and Management Services Department. Coverage for this sector will be provided via an existing emergency contract with Alanis Security, Inc. The balance of that report, Item 7A, was accepted by the committee.

Subject: Response to Budget and Finance Committee Directives Re: Security Guard and Screening Contract Awards under RFP 487A and 487B

BFC
Agenda Item No. 7(A)

On February 13, 2007, the Budget and Finance Committee requested that: 1) the award of contracts under RFP 487A, Security and Guard and Screening Services, and RFP 487B, Security Guard Services (Attachment 1), be deferred to the March Committee agenda; 2) staff consult with the Inspector General's Office and the County Attorney's Office regarding certain proposers on this procurement; and 3) a supplemental item be submitted showing the recommended award structure excluding the firms that are under review.

On February 21, 2007, my staff met with members of the County Attorney's Office, the Inspector General, and staff from the Departments of Business Development, General Services Administration and Procurement Management. Based on a review of the information available to date, the Board of County Commissioners may award Sectors 1E, 2A, 2B, 3A, and 3B under RFP 487A, Sectors 1A and 1B under RFP 487B, and withhold the award for Sectors 1D for RFP 487A and 1C for RFP 487B until all reviews are completed. The security guard services for the two withheld contracts, Sector 1D in RFP 487A and Sector 1C in RFP 487B, would continue to be performed by Delad Security, Inc. and Alanis Security, Inc, respectively, under the existing emergency contract EM7797-2/07.

BACKGROUND

Currently, security guard and screening services are being provided under emergency contract No. EM7797-2/07. Subject: Supplemental Information for Recommendation to Award Security Guard and Screening Services Contract Nos. 487A-1D, 487A-1E, 487A-2A, 487A-2B, 487A-3A, 487A-3B

B&F
Supplement to
Agenda Item No. 3J

This supplemental report is submitted in order to provide updated information related to the referenced contract subsequent to the County Manager's recommendation to award posted on October 3, 2006. Issues regarding the certification of the small businesses included in this award were raised following the filing of the recommendation.

At the direction of the County Manager's Office, Department of Business Development (DBD) staff conducted a comprehensive review of all certified Small Business Enterprise (SBE) firms that offer security guard and/or security related services. This review was completed following the expedited certification process used in implementing the newly established SBE Program following the federal court decision in the Hershell Gill case. DBD staff performed a comprehensive review of the SBE firms included in this award. The review included ownership details, gross receipts and possible affiliation with other firms. The chart below shows a synopsis of the information collected regarding the firms recommended for award and their respective SBE certification status.

| Sector | Contract No. | Recommended Vendor | Contract Measure | Certification Status |
|--------|--------------|---|---------------------|----------------------------------|
| 1D | 487A-1D | Security Management Innovations d/b/a SMI | SBE set-aside | Certified until 02-28-07 |
| 1E | 487A-1E | Security Alliance of Florida | SBE set-aside | Certified until 09-24-07 |
| 2A | 487A-2A | 50 State Security Service Feick Security Corp. | 20% SBE goal | N/A* Certified until 08-31-07 |
| 2B | 487A-2B | McRoberts Protective Agency Security Alliance of Florida | 20% SBE goal | N/A* Certified until 09-24-07 |
| 3A | 487A-3A | Barton Protective Services d/b/a Allied Barton Security Services | Selection Factor | N/A* |
| 3B | 487A-3B | Security Alliance of Florida | Selection Factor | Certified until 09-24-07 |

* Not in the SBE Program

Please note the information received regarding the following firms that are recommended for award:

Security Management Innovations d/b/a SMI

- A. Pursuant to Section 2-8.1.1.1.1 establishing the Small Business Enterprise Program (the SBE Ordinance), a Small Business Enterprise (SBE) is a business entity, certified by DBD, which has an actual place of business in Miami-Dade County and does not exceed certain revenue or employee maximums. To implement the SBE Ordinance, the Board approved Administrative Order 3-41 (A.O.). The A.O. provides that an SBE must be established for at least one year to be eligible for certification.

Security Management Innovations d/b/a SMI ("SMI") established its business in June 2005 and formally requested to be certified as an SBE in March 2006. Applying the provisions of the Ordinance, DBD certified SMI as an SBE although it was not established for a one-year period. The certification initially appeared to have been issued in error because SMI did not meet the requirements of the administrative order implementing the ordinance. More importantly, however, SMI did meet the requirements for certification set forth in the

ordinance. SMI has maintained its certification throughout this process. SMI has now been in business for more than a year and would not be subject to decertification on these grounds. In consultation with the County Attorney's Office, we have determined that SMI's proposal may properly be considered for award.

- B. Through DBD's Certification process, concerns have been raised regarding possible affiliation between various security guard firms and Security Management Innovations d/b/a SMI. As part of the DBD certification process, an Eligibility Review Meeting (ERM) is held. As part of the ERM performed for Security Management Innovations d/b/a SMI, under sworn testimony, firm President, Alex Bocaranda and Vice President, Jose Diaz, stated that another firm, SMI Security Management, Inc., whose owners were Alex Bocaranda and Jose M. Gonzalez, under a verbal agreement, would be financing the payroll of Security Management Innovations d/b/a SMI, the certified SBE firm, for a specified period of time. The agreement entailed that Mr. Bocaranda would collect account receivables for SMI Security Management, Inc. (his previous company), apply those amounts to Security Management Innovations d/b/a SMI payroll (his current company), and thereby provide assistance to his newly formed firm. He also claimed that no direct funds would be coming from SMI Security Management, Inc. A disagreement between the two parties ensued and subsequently the matter was taken to the courts.

In continuing its Certification process, DBD was presented and reviewed information from a Ft. Lauderdale Sun-Sentinel article with information that appears to be inconsistent with the size standard data provided by the SBE firm to the County at the time of certification. The former co-owner of SMI Security Management, Inc., Jose M. Gonzalez, is now the President of JMG Insystem, Inc. d/b/a Sereca Corp. in Miami-Dade County and Serenos Responsables, C.A. of Caracas, Venezuela. The newspaper article quoted Jose M. Gonzalez, identified as Branch Manager of Sereca Security, saying "the impact on the local community would be where jobs, due to the relocation of their offices to the area, would increase from approximately 400 to 1000". The table below shows a breakdown of the firms and their ownership:

| Firm Name | Owner(s) | Certification Status |
|---|--|--|
| Security Management Innovations d/b/a SMI | Alex Bocaranda - President Jose Diaz - Vice President Alex Anthony - Member/Board of Directors | Certified until 02-28-07 |
| SMI Security Management, Inc. | Alex Bocaranda and Jose M. Gonzalez - Co-Owners | N/A |
| JMG Insystems, Inc. d/b/a Sereca Corp. | Jose M. Gonzalez - President | As of 01-24-07 Firm is decertified* |
| Serenos Responsables, C.A. (Venezuela) | Jose M. Gonzalez - President | N/A |
| Brooks Security, Inc. | Alex Anthony - Owner | N/A |

* Firm is currently decertified for failing to respond to a request from DBD for 2005 corporate income taxes

Furthermore, Security Management Innovations d/b/a SMI has entered into a lease agreement with Brooks Security, Inc. which is owned and operated by Alex Anthony. Mr. Anthony is also on the Board of Directors for Security Management Innovations d/b/a SMI. Security Management Innovations d/b/a SMI is scheduled to be awarded Tier 1, Section 1D, which has an SBE set-aside measure.

After reviewing all available information regarding the relationships between Security Management Innovations d/b/a SMI, SMI Security Management Inc., JMG Insystems, Inc. d/b/a Sereca Corp., and Brooks Security, Inc., there is not sufficient evidence to confirm affiliation in violation of the ordinance. Therefore, Security Management Innovations d/b/a SMI is currently certified as an SBE. In light of this, and in consultation with the County Attorney's Office, the recommendation to award this contract should proceed.

Security Alliance of Florida

Pursuant to the SBE Ordinance, § 2-8.1.1.1.1 Code of Miami-Dade County, for a firm to be certified as an SBE, its three (3) year average gross revenues cannot exceed five (5) million dollars. However, it is allowed to maintain its certification for a period of one (1) year from the date it is formally notified it has exceeded the size limits. Security Alliance of Florida - protected under this clause - is a certified SBE, and is scheduled to be awarded Section 1E (SBE set-aside), Section 2B (will be meeting the 20% SBE goal under McRoberts Protective Agency), and Section 3B (SBE Selection Factor - where they received an additional ten (10%) percent of the evaluation points on the technical portion of its proposal. This enabled Security Alliance of Florida, consistent with the Code, to be the recommended awardee).

Felck Security Corp.

Felck Security Corp. is currently certified as an SBE under §2-8.1.1.1.1, Code of Miami-Dade County. However, an anonymous letter was received by DBD on November 17, 2006 stating a relationship between Vanguard Security Services and Felck Security. To date, this information has not been substantiated.

DBD staff will continue to closely monitor the contracts once awarded.

This supplement also includes attachments related to the protest filed by JMG Insystem, Inc. d/b/a Sereca Corporation. On October 18, 2006, JMG Insystem, Inc. d/b/a Sereca Corporation filed a protest with the Clerk of the Board for RFP 487A. The protest was withdrawn by the proposer on October 27, 2006 and the protest filing fee was returned to the proposer by the County.

Supplement #2 to
Agenda Item No. 3J

Subject: Supplemental Information #2 for the Recommendation to Award Security Guard and Screening Services Contract Nos. 487A-1D, 487A-1E, 487A-2A, 487A-2B, 487A-3A, 487A-3B

This supplemental report is submitted in order to provide additional information to the above referenced award recommendation. The Department of Business Development (DBD) has expressed concerns regarding the possible affiliation of some of the recommended firms as a result of the certification process small business firms are required to participate in. This information has been shared with the County Attorney's Office and with the Office of the Inspector General (OIG).

Specifically, issues were encountered with the certification of two small business firms pursuant to Section 2-8.1.1.1.1 of the Code of Miami-Dade County. Numerous meetings have been held with staff from DBD, the CAO and the Department of Procurement Management. The attached memorandum from the OIG is provided in order to provide their analysis of the information presented by DBD.

In their memorandum, the OIG requested additional review of the information. Upon further review, there remains insufficient evidence to confirm affiliation resulting from no additional information or available resources.

Re: Security Guards and Screening Services Contracts

Per your request, I have reviewed the draft supplemental memorandum regarding the Security Guards and Screening Services contracts. (Attached) On face value, based on the information contained in the memo, there is a basis to suspect an affiliation between Security Management Innovations d/b/a SMI (a SBE certified firm recommended for award of Contract No. 487A-ID) and SMI Security Management, Inc., along with Brooks Security, Inc. The memorandum indicates that "there is not sufficient evidence to confirm affiliation in violation of the ordinance," however, enough questions are raised by the verbal financing agreement between one's two companies (Alex Bocaranda) and the lease agreement between the other principal's two companies (Alex Anthony), which, I believe, warrants additional review by your department's certification group.

Additionally, as you may be aware, the OIG has investigated the third company listed in the table on page 2, JMG Insystems, Inc. d/b/a Sereca Corp. This investigation has been forwarded to the State Attorney's Office for a prosecutive determination.

Evaluation/Selection Committee

Subject: Report of Evaluation/Selection Committee RFP No. 487B, Security Guard Services,
Revised December 21, 2006

Background:

The Evaluation/Selection Committee completed the task of evaluating proposals submitted in response to the above referenced Request for Proposals ("RFP"). The Evaluation/Selection Committee Report (dated June 5, 2006) was reviewed by the Sr. Procurement Contracting Officer on June 8, 2006. The Committee had recommended that the County enter into negotiations with the following three highest ranked Proposers for three Sectors pursuant to Section 4.5 of the RFP document:

| Proposer | Sector | No. of hours |
|--|-----------|--------------|
| Barton Protective Services LLC, d/b/a AlliedBarton Security Services | Sector 1B | 4346.5 |
| The Wackenhut Corporation | Sector 1C | 4161.5 |
| Security Alliance of Florida, LLC | Sector 1A | 4037.5 |

In August 2006, the County Attorney's Office (CAO) advised DPM regarding current *qui tam* actions between the plaintiff, Miami-Dade County, ex rel. Michelle Trimble and the Defendant, The Wackenhut Corporation. The RFP was placed on hold. In November 2006, the CAO provided the information on these *qui tam* actions. This information from the CAO was provided to the Evaluation/Selection Committee for its review and consideration into the scores for the subject proposer. The evaluation meeting was scheduled for December 19, 2006.

December 19, 2006 Evaluation/Selection Committee Meeting:

One of the six Evaluation/Selection Committee Members is no longer employed by the County. The scores from this member were deleted from the totals below and the Committee was informed of this decision in the meeting. The Committee discussed the above information and advised that this information does not affect the scores submitted by the Committee in the evaluation meeting of May 24, 2006 because of the pending conclusion on these *qui tam* actions.

Summary of Committee scores:

The total final scores (max. 210 points per committee member, total of 1,050 points for 5 committee members) are as follows:

County. The Contractor shall observe the following safeguards regarding the use of firearms at all County facilities/buildings. This includes, but is not limited to, the distribution of the following safeguards to all Security Officers on post and the inclusion of these safeguards in all training courses:

- A) Firearms shall not to be removed from their holsters for any reason except to be used in life-threatening situations or for inspection by County Contract Administrator or designee. 6.23 FAILURE TO PERFORM

A) Liquidated Damages

The Contractor shall be liable for damages, indirect or direct, resulting from its failure to meet all contractual requirements or standards. The County, at its sole discretion, will determine the damages arising from such failure. The County Contract Administrator's or designee's assessment of all Liquidated Damages will be final. The County will accomplish this by deducting the amount of the liquidated damages from subsequent payments due for service rendered by the Contractor. Repeated violations or patterns of violations will result in a doubling or tripling of the amount of Liquidated Damages. Subsequent violations will result in a Vendor Non-Performance. Any of these violations may result in Contractor's personnel being removed from the post and/or Contract at the request of the County Contract Administrator or designee.

A written notice of a violation and intent to impose liquidated damages shall be provided to the Contractor in the form of an Infraction Report. Infraction Reports shall be issued to the Contractor promptly by the County Contract Administrator or designee, in order to afford the Contractor time to notify the County of extenuating circumstances.

The graduation of Liquidated Damages will occur with the involvement of the same facility, Contractor's personnel and a pattern of the same incidents at multiple posts (e.g. no radios, lack of supervision, etc.). Any violations committed by Contractor's personnel will result in the suspension or removal from duty of said personnel at the discretion of the County Contract Administrator or designee. The Contractor shall invoice for the actual hours the Security Officer spent at court, regardless of whether or not his/her testimony was used and/or provided. (Court delays are common, and multiple appearances by the testifying Officer may be required). A copy of the original subpoena shall be submitted with the invoice. Contract-related Court testimony on behalf of the County shall take priority over all other scheduled duties, and the Contractor shall coordinate with the County Contract Administrator or designee to ensure that this is done with no impact to daily operations.
